JEFFERSON CITY
PARKS & RECREATION
FOUNDATION

The Jefferson City Parks and Recreation Foundation strives to provide additional resources to leverage taxes, fees, and grants to enhance our parks and recreation services.

Over the years, civic-minded individuals and organizations have maintained a tradition of enhancing the quality of life for their families, friends, and neighbors through generous donations to the Jefferson City Parks and Recreation system. In 1992, the Jefferson City Parks and Recreation Foundation was formed to provide continuing leadership and foster the expansion of parks and recreation services in Jefferson City.

The foundation's goal is to emphasize the value of parks and recreation - both passive and active - not only for individual growth and development, but also for a strong family unit and for making our community a more desirable place to live, work, play, and visit.

Support your parks with a donation to the Jefferson City Parks and Recreation Foundation

A donation to the Parks Foundation contributes to the entire community. Any and all size gifts to our community are appreciated and contribute to the livability and quality of life in Jefferson City.

Scholarships

The Jefferson City Parks and Recreation Commission ensures no youth is excluded from its programs due to financial barriers. Recreation scholarships, funded by the Parks and Recreation Foundation, are available through a simple application process. Eligibility typically requires public assistance benefits, with annual funding capped at \$200 per individual for JC Parks-run programs. Short-term, non-staff-led programs like clinics are excluded. Applications must be signed by a parent/guardian, and participants must contribute at least 20% of program fees.

Work with us

Job opportunities at JC Parks are just outside your door. We're hiring now for seasonal staff including:

- Concession stand workers
- Day camp counselors
- Seasonal maintenance staff
- Lifeguards, and more!

Competitive wages, flexible hours, and a great job experience are just a few reasons why we've got it going on. Fill out a seasonal job interest form on our website at jcparks.com/seasonal-jobs to learn more.

Art in the Parks

Public art enriches our community, bringing creativity, culture, and inspiration to everyone. It tells the stories of our shared history, showcases local talent, and adds beauty to the spaces we enjoy every day.

All throughout JC Parks and along the Greenway, you can discover original pieces, vibrant murals, and unique commissioned works.

These works celebrate our city's heritage and provide a connection to the arts in unexpected and delightful ways. Use the QR code here to open our Google Map of public artwork!

Forestry

Trees play an invaluable role in our park system! Jefferson City forestry staff, including three ISA-certified arborists, have the important task of planting and maintaining city trees as well as mowing hundreds of acres each week in the park system.

Memorial Trees

Can't decide what to get Mom and Dad for their upcoming anniversary? Looking for a lasting remembrance of a loved one? Want a unique way to celebrate the birth of your child? Through the Commemorative Tree and Memorial Bench Program, you can establish a living memorial and beautify your parks at the same time!

During the planting season (September – early March), JC Parks will plant a tree of your choosing and fix a memorial plaque adorned with your inscription in front of the tree. Applications are accepted year-round, call or visit jcparks.com/parks-foundation to learn more.

Memorial Benches

The Memorial Bench Program offers a meaningful way to honor loved ones by placing a metal bench with an embedded plaque in one of our parks. These benches enhance our parks, providing a space for visitors of all ages to relax, play, and enjoy nature. Learn more about Memorial Benches at jcparks.com/parks-foundation.

Launch Your Boat

Grab your poles and paddles, we've got four places to launch your boat and enjoy time on the water:

Binder Lake Boat Ramp: Binder Lake boat ramp sports "rougher" texture that eliminates slipping on the moss during the summer. The ramp is at a greater pitch which makes loading and unloading much easier.

Missouri River Access: The river has always been right in our backyard. Now it is easily accessible! Wilson's Serenity Point at Carl R. Noren Missouri River Access, located in North Jefferson Recreation Area, is open from 5:00 AM to 10:00 PM.

Hough Park Lake: boating (hand-launched) and bank fishing are permitted at Hough Park Lake. Access to the golf course irrigation lake is at the end of Iven Road. For personal safety, fishing and boating are not allowed near hole #3 on the north end of lake.

McKay Park Lake: In addition to bank fishing, hand-launched boating is now permitted at McKay Park Lake. Bring your favorite non-motorized water vessel during park hours of 5:00 AM to 10:00 PM. All vehicles and trailers must remain in designated parking lots and roadways as they are not permitted on trails or grass areas.

Outdoor Archery Range

The Archery Range at Binder Park, near the entrance to the campground, was completed in December of 2024. Built with support from the Missouri Department of Conservation's Outdoor Infrastructure Grant, the range includes four shooting lanes with targets and protective backdrops, bow and quiver holders, and lines delineating target distances.

- **Paper:** Newspapers, magazines, junk mail, and tearable paper.
- **Cardboard:** Pizza, gift, cereal, and cake boxes (no food residue).

- » 2284 Hyde Park Road
- » 2730 West Main Street
- » 320 East McCarty Street - City Hall Parking Lot

Where does the glass go?

Glass to be recycled is consolidated at a city facility and then sent via tractor trailer to Ripple Glass in Kansas City, MO. Upon arriving at Ripple, glass is cleaned, sorted and crushed into cullet. The cleaned cullet is then made into insulation or new glass bottles.

Stay informed about local recycling efforts and learn how you can make a difference! Recycling helps protect our environment, reduce landfill waste, and conserve resources. Follow **Jefferson City Recycles** on Facebook for tips, updates, and community resources to make recycling easier for everyone.
